- ▶ Improvement of urban mobility and transport

Introduction

Problematic and Goals

HOW CAN WE IMPROVE MONITORING AND PROCESSING OF DELEGATED TRANSPORT MANAGEMENT CONTRACTS URBAN BY BUS?

- ▶ Centralize the information contained in management contracts delegate and their amendments, if applicable;
- ▶ Centralize the documents required by the contract that the operator is required to provide periodically to the delegating authority;
- ▶ Allow users to share information internally and documents;
- ▶ Monitor the management of urban transport contracts.

The background of the slide is composed of three geometric shapes: a teal triangle in the top-left corner, a light beige triangle in the bottom-left corner, and a white triangle in the top-right and center. The teal and beige triangles meet at a diagonal line that runs from the top-left towards the bottom-right.
